

got pills?

Keeping unused or expired prescription drugs in your home poses a risk to your family and your community.

Flushing medications down the toilet contaminates our water supply. This program guarantees that Rx drugs are disposed of properly and not intercepted for misuse. Simply bring the medications to one of the locations listed and put them in the collection box. No paperwork is required. This program is free and anonymous.

To get involved in local efforts to reduce substance abuse, or for more information, visit www.northlandcoalition.com or call 816-877-0401
